**Chilliwack  
School District**

A photograph of a forest. In the foreground, there are several tree branches covered in thick, vibrant green moss. The branches are dark and intricate, creating a complex web of lines. The background is a soft-focus forest with many vertical tree trunks and a canopy of green leaves, suggesting a dense, mature forest. The lighting is natural, highlighting the texture of the moss and the depth of the woods.

Imagine High is situated on the ancestral and unceded, shared territory of the Ts'elxwéyeqw and Pilalt Tribes. We are honoured to live, learn, work and play on this land.

**Connect.
