

## Strategic Plan Refresh Survey

The Chilliwack School District is updating our strategic plan. What we learn will inform our strategic plan for the next five years. The refreshed plan will include our mission, vision, and values, as well as measurable goals, priorities, and objectives. It will reflect what makes the Chilliwack School District unique. And it will support student success, foster well-being, and create an environment where staff and students thrive. We value your input!

The current Strategic Plan can be found on our website at:
