# ZOOM INFO SESSION

## ZOOM INFO SESSION: JANUARY 14, 2026 @ 6 PM

### Deeper Learning Canada – Zoom Information Session

Join us for an interactive Zoom session designed for educators, school leaders, community partners, and anyone curious about what Deeper Learning Canada is all about. We'll introduce the big ideas behind the conference, walk through what participants can expect, and answer questions for anyone considering attending or partnering with us.

- Get a clear overview of Deeper Learning Canada.
- Preview the conference experience—from Deep Dives and Den Talks to student exhibitions and hands-on professional learning.
- See real examples from Imagine High, where arts, technology, and authentic learning intersect.
- Meet organizers and facilitators to learn about speakers, the schedule, and broader network connections.
- Explore opportunities to present, volunteer, sponsor, or bring a team.
- Ask questions and connect with others exploring deeper learning.

### ABOUT DLC 26:

- JULY 2 - 4, 2026
- K-12 summit hosted by Imagine High (located in Chilliwack, BC)
- A partnership with High Tech High, SD33(Chilliwack) and SD23 (Central Okanagan)
- The conference gathers educators, innovators, and change-makers to explore and design for deep learning
